Surface Transportation Bd.
Washington, D. C., 20423

RE: STB, STB DOCKET NO. FD 35802, UNINCORPORATED, LAKE COUNTY

Dear Ms. Rutson:

In response to your request, received on Tuesday, December 29, 2015, we have reviewed the documents you submitted regarding your proposed undertaking. Our review of and comment on your proposed undertaking are among the requirements of Section 106 of the National Historic Preservation Act. This Act requires federal agencies or applicant for federal assistance to consult with the appropriate State Historic Preservation Office before they carry out their proposed undertakings. The Advisory Council on Historic Preservation has codified procedures for carrying out Section 106 review in 36 CFR 800. You may wish to familiarize yourself with these procedures (Federal Register, December 12, 2000, pages 77698-77739) if you are unsure about the Section 106 process.

Considering available information, we find that the project as currently proposed WILL ADVERSELY AFFECT PROPERTIES THAT ARE ELIGIBLE FOR LISTING IN THE NATIONAL REGISTER OF HISTORIC PLACES. You should now begin immediate consultation with our office. Please direct questions and comments to Joe Garrison (615) 770-1092

Sincerely,

E. Patrick McIntyre, Jr.
Executive Director and
State Historic Preservation Officer
