I do not believe that any foreign company should be coming in here and all of a sudden be taking all kinds of hazardous waste within a quarter mile of my home. And increasing the traffic on there from the normal 3 or 4 trains. On Cedar Road I've only been stopped 2 or 3 times now in 30 years, now your saying I am gonna have 30-some trains per day here, up to quarter mile long or longer or 200 train cars? I don't believe I like this at all. Hopefully you people will vote no on this. Thank you.
