Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Comments must be submitted by September 30, 2008.

Date: SEPT. 22, 2008

THE PLAN BY THE CANADIAN NATIONAL RAILWAY TO ROLL TWENTY OR MORE FREIGHT TRAINS THROUGH THE VILLAGE OF BARRINGTON ILLINOIS, IS BEYOND NOT ACCEPTABLE. IT WILL DESTROY THE TRAFFIC PATTERNS TO MAKE DRIVING CONDITIONS IMPOSSIBLE. NOT TO MENTION THE DANGERS AND HAZARDS OF CLOSING ALL CROSSINGS, OF WHICH WE HAVE FIVE, SOMETIMES ALL WITH ONE LONG FREIGHT. FIRE VEHICLES AND AMBULANCES AND POLICE CARS WILL ALL BE UNABLE TO CROSS. THINK OF ALL THE ACCIDENTS WHICH WILL OCCUR AND THINK AGAIN!!!

YOUR INPUT IS IMPORTANT!
