Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

The congestion on Lake Cook is already incredible. I can't imagine what it will be like with more freight trains. Also the health impact for those who cannot be reached by the paramedics - that will be if left for much too long.
