I refer to the Department of the Army Permit application received in this office on July 1, 2009 on behalf of the Wolfpen Knob Development Company for the proposed Mason Dixon Mining Complex to be constructed near Wadestown, Monongalia County, West Virginia.

In e-mail correspondence to this office dated November 3, 2009, Mr. Robert Coit, of Wolfpen Knob Development Company (Consol Energy) has requested the reference application be withdrawn and the application returned to you. Therefore, as of this date we have ceased our review of the proposed project and the application has been withdrawn from our files.
