Dear Mr. Navecky:

I would like to express my concerns over the proposed Great Lakes Basin Transportation, LLC rail line project. Docket # 35952. I oppose the project and ask the Surface Transportation Board to deny the proposal. My concerns are:

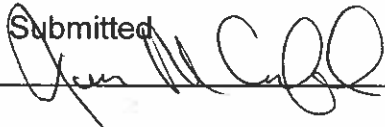

The loss of both productive farm land and top soil. Both of which are in finite supply

My other concern is the impact on the quality of life for those who would be in the close proximity of this proposed line.

Thank you for listening.

Respectfully Submitted
