Hi Danielle

I'm writing a quick note In response to the letter regarding the section 106 process for the above project.

I am the owner of a business called EssentialZen in the Bowen Block building (330 east Garfield road, aurora ohio) we back up right to the tracks and old train station. I am 100% in favor of the old tracks being abandoned and allowed to be a walk or bike trail!

I think it would benefit not only our business but also the community as a whole.

Thank you
