Email Address: * adeszcz@impactnetworking.com
Group/Affiliation:

Message: We are very concerned about this sale, and oppose it strongly. The trains are loud enough with there current volume were at night we can't leave our windows open. The railroad runs by the Plainfield bird sanctuary which they close to the public so they do not disturb nesting. The trains will bring more noise and more congestion. Also this can endanger a natural resource the entire comunity enjoys. Please help vote this down!
