Message: Incoming statements that say "See Attached Comments"
 For several weeks now I have seen this and scrolled
 down to see no comment at all?
 Today I compiled a list in fifteen minutes as an
 example. The following incoming statements cannot
 be seen:

EI-23069
 EI-23067
 EI-23065
 EI-23071
 EI-23073
 EI-23075
 EI-23081
 EI-23244

As stated before I have seen many in the last few
 weeks like this. These are just a quick example.
 My concern is are these statements counted? Will
 their voice be heard?

Thank You for addressing this issue.
