Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

Proposed acquisition will essentially kill the Village of Barrington due to traffic congestion. Our town does not have the infrastructure to support several trains per day. Other concerns are the amount of hazardous material carried / accident potential.
