Subject: Conference Call with Representative Sims

Dear Mr. Navecky,

In light of a conversation with Ken Lodget, State Representative Elgie Sims (the "Representative") would like to request a conference call with you at your earliest convenience today. Mr. Lodget informed me that he was leaving the office shortly after our phone conversation, so the Representative would like to speak with you. If you are able to do so please respond to the email, or call our district office at [773-783-8800](tel:773-783-8800) with your availability.

Thank you in advance,

Nia Gipson
