RE: ELGIN-JOLIET & EASTERN R.R.

FOR 70 YEARS - IN MY INFANT
YEARS - IVE HEARD THE BELLS, THE
HIS OF THE STEAM, THE SMOKE
BELCHING FROM THE SMOKE STACKS
OF THE COAL-WOOD FIRED BOILERS
AND I BELIEVE WAS KNOWN AS THE
BELT LINE R.R. & THE R.R. BROUGHT
OUT ALL THE KIDS TO ^{WAIVE} AT
THE MEN ^{ON} AT THE CABOOSE.

THIS R.R. CONTRIBUTED MANY
JOBS TO THOSE IN THE PATH OF
THE EJE R.R.

IT REALLY DISMAYS ME THAT
THE BARONS OF WALL STREET
WHO LIVE IN BARRINGTON IN

ARE SO IRRITATED THAT THE
EJ+ERR MAY RUN THRU THIER
TOWN, THESE WEALTHY OWNERS
OF RAILROAD STOCKS HAVE
PROFITED VASTLY. IF WE IN
WHEELING, ILL. CAN HANDLE
EJ+E TRAFIC FOR OVER 100 YRS.
WHEN ALL THE VEGETABLES FROM
WISCONS (KILBOURN) NOW KNOWN
AS WISCONSIN DELLS - END UP
IN THE MARSHALLS HANDS OF
KILBOURN PARK (CHICAGO). MANY
STORIES OF ADVENTURES THAT
OCCURED FROM THE 1920'S TO
THE YEAR 2008. LETS HOPE THE
BARONS OF BARRINGTON WOULD STOP
CRYING IN THIER BEER AND
ALLOW THE FEW CARS OR EJ+E RR
TRAVELERS THRU BARRINGTON.

THANK YOU
