Hi

I just went to a company for orentation and Job. I was given a DOT physical which I passed no problem. I was told by the company that I didn't make their standards for weight. I was over weight and they would not hire me. they had me go all the way to Texarkana, AR, to apply and would not pay my fair back home. They left me stranded there, and had I not had the money I could not have gotten back to Conroe, TX my home town. Is this legal, I heard that they were responceible to get you back home.

Thank you
