I appose the sale of EJ&E rail to CN. I live very close to these tracks. I can not express to you the emotions of my family and the entire neighborhood if this passes. It will disrupt our lives in so many ways. The noise, the vibration, the disturbance of a quiet neighborhood to a noisy stressful one. we came to Frankfort to get away from the chicago noise, traffic and air and rail noise. This is not to belittle the facts of loosing our property value and the safety of out kids going to school. It is incomprehensible to think that this sale could be approved. This will affect so many lives in a negative way. It will devastate my family. I work as a nurse and i can see the delays getting to work, school and the delay in emergency care for the neighborhood. Has this world become so callus to only care about money? Profits for a foreign company can not be able to win over the quality of life of not one but many communities. I beg you to not let this sale happen. On behalf of myself, my family and the thousands of others that this will hurt please deny the EJ&E sale to CN.

Respectfully,
Brian Johnson
