Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: Sept. 27, 2008

Comments must be submitted by September 30, 2008.

I am writing to you to voice my continuing opposition to the CN acquisition of the EI & E in my region.

Despite the DEIS, I still feel that the full and negative impact of this proposed acquisition on the area has not been fully considered, and must be!

The consequences on the communities of the E5 & E will be dire and irreversible if the proposed merger goes thru as it now stands.

Your review of the impact must be thorough, thoughtful, and un rushed.

Place yourselves and your family in one of the communities to be affected & consider the real affect on lives.

Thank you!

YOUR INPUT IS IMPORTANT!
