Judy and Catherine,

In accordance with the Port MacKenzie Rail Extension (PMRE) project Programmatic Agreement, I am pleased to submit the Working Group's draft 2012 Survey Report for Segment 6 to initiate the 30-day formal review. The pdf version of the complete report is attached, and I will send a separate e-mail with a word document in case you would like to provide edits and comments on that document. Please let me know if you decide you would like a hard copy of the draft report.

Once we receive your comments, the Working Group will incorporate them as appropriate and submit a final report to the appropriate parties. Please contact me at 907.265.2313 or Brian Lindamood at 907.265.3095 if you have questions or require additional information. Thanks, Barb
