Docket #: FD 35087 - -

Subject: * Canadian National Railway acquisition of EJ&ER
 First Name: * Andrea
 Middle Name: M
 Last Name: * McKeague
 Address: * 3511 Brooksedge Ave

 City: * Naperville
 State: * IL
 Zip Code: * 60564-
 Email Address: * amckeague2003@hotmail.com

 Message: To whom it may concern,

My family opposes the aquisition of the EJ&ER by CNR as it will most certainly cause already conjested traffic patterns to become extreme. Due to the very recent increase in residential and commercial buildout in Plainfield, Oswego and Aurora, traffic has increased exponentially, especially during rush hour and at the start and end of the school day. Increasing the number of trains will make it extremely difficult for many to get to school and/or work on time or in a reasonable amount of time. The East/West roads (Route 34, Wolfs Crossing, 119th, 111th, 135th, Montgomery, etc.) are absolutely not built to accomodate the proposed increase in train traffic. It will create obnoxious traffic jams at these intersections if the acquisition takes place.
