I am a Land owner on one of the Proposed
R.R. Routes. This Land has been in my Family for
over 100 years. In the 1980, they said the R.R.
would only be built if there was a need for the
coal. Selling the coal to China is Not a need
for the coal. I am strongly Against this R.R.
Do not let the R.R. Destroy the Tongue River
Valley and my Family Ranch.
R.R = Rail Road move on Back

NOTE: When an individual chooses to submit an environmental comment or some other submission, his or her personal contact information is considered public information and is shared within and outside of the Board without additional authorization.

It is Hard Enough For a Small Rancher
To make a Living. A Rail Road Splitting
my Little Ranch into smaller pieces will
make it Harder for me.

Rail Roads start fires, Disrupt my
Normal movement of Livestock.
