Docket #: -35087 --

Subject: * CN Acquisition of EJE

First Name: * David

Middle Name:

Last Name: * Rubin

Address: * 423 Addison Rd

City: * Riverside

State: * IL

Zip Code: * 60546-

Email Address: * davidirubin@gmail.com

Group/Affiliation:

Message:

The proposed merger will increase rail traffic in some areas. On the other hand, rail traffic will decrease in other areas, namely Riverside. Traffic jams along Harlem Avenue in Riverside will be greatly alleviated by this re-route. Since some area must have this rail traffic, then it should be chosen by the greater overall good. It seems like the new route around metro Chicago would be the most beneficial for rail traffic, itself.
