Subject: Docket No. 35952.

Dear Mr. Narecky,
I am asking you **VOTE AGAINST**
Docket no. FD 35952.

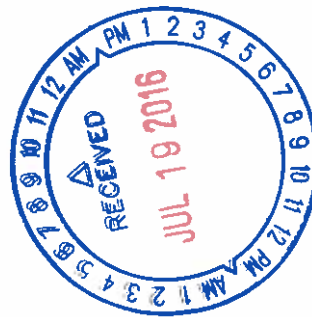

The proposed GLB Rail line spur line is to be constructed about one block from my home here in Gundy County. I have been told at the same time they will be changing the drainage ditch that drains the surface water from my residence. This change will result in the surface water flooding in my home.

For this important reason I am firmly **AGAINST** Docket No. **FD 35952.**

Sincerely,

Helen McCormick

Dear Mr. Namuck,

I am firmly **AGAINST** Docket No. FD35952.

The proposed GLB Rail line will destroy many acres of the best farm land in the U.S. as it is constructed thru Grundy County. Not only will farms be divided the drainage systems for our fields will be destroyed beyond repair to drain our farm fields properly as they do now. This will effect the field yields be much less for the farmers income and all their hard work.

For this reason I am firmly **AGAINST** Docket No. FD35952.

Sincerely

Helen McCarrick

Dear Mr. Navesky,

I ask you Vote AGAINST Docket No. FD35952

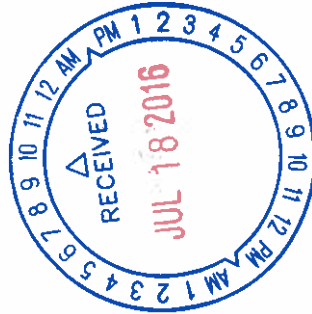

My residence in Grundy County is less than 2 blocks from the intersection of the proposed GLB Rail line and a major Rail line coming from Chicago. The chances of an accident happening at this intersection is extremely great - giving me and my family much concern.

For this reason I am firmly AGAINST Docket No. FD35952,

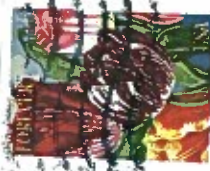

Sincerely

Helen Dic Cornick

Dear Mr. Nawesky,

I ask you **Vote AGAINST** Docket No. FD35952.

The hard working farmers in Grundy County are definitely apposed to the proposed G-LB Rail line ruining our prime farm lands. The rail line will divide farm fields making it ^{ALMOST} impossible to plant & harvest these fields. They will have to travel many extra miles to plant and harvest these fields.

I am firmly **AGAINST** Docket No. FD35952.

Sincerely,

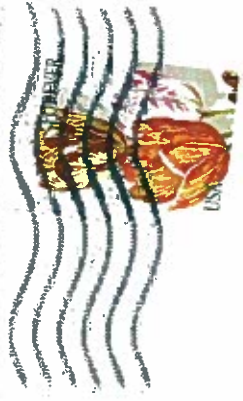

Helen McCormick
