2200 Applewood Lane, Missoula, Montana

Hello. My name is Michael Bowles. I'm a student at the University of Montana. I live in Orchard Homes District 2200 Applewood Lane. I urge the Surface Transportation Board to no action on any further developments on this coal project because we're at a time of history where we need to be transferring over to renewable energy and doing away with fossil fuels.

I'm really glad I came here because I learned a lot from all the community members who came. I look forward to the next meeting we have together. Thanks.
