Dear Mr. Navecky:

I would like to express my concerns over the proposed Great Lakes Basin Transportation, LLC rail line project. Docket # 35952. I oppose the project and ask the Surface Transportation Board to deny the proposal. My concerns are:

I have many reasons why I don't want this railroad
acrossed my farm. A few is that they cut acrossed a 105 A
on a angle. 117 A field on angle 103 A field 157 A field. 35 A field.
all on a angle

It also makes the drainage not work well.

The State^{hwy} 2 is a heavy traffic road that it cuts across.

It goes within a 105' of our house that we have
on one farm. This just a few reasons Please deny

This ~~request~~ Proposal that is based on lies.
