My name is Greg Worley at 4043 June Berry Drive, Naperville IL. Area code 630-428-8552. Calling with regards to the C&N acquisition of the E&G line and I want to make sure I'm on record as voicing my opposition to this and also to request that another meeting be held in Naperville because the original communication on this meeting did not identify the scope of what was going to take place as far as this project and I think that the Naperville people have not had an opportunity to clearly state their opposition to this acquisition. Please, again, take record of my opposition to this and please forward the information to me. Thank you.
