1 MRS. MEANS: Evelyn Means. 30 W 112
2 Willow Lane, Warrenville. My concern is we
3 live south of Wilson Street and occasionally
4 an EJ train will sit and idle right behind us,
5 which is on a wetland. And there's really no
6 reason for any train to be sitting there since
7 there just north of us is a farm and a big
8 park area where they could sit and idle.

9 And I want to know what regulations or
10 restrictions would be put in place for where
11 these trains if they are backed up, would sit
12 and idle. That was kind of my main concern
13 right now.
