RE: STB Finance Docket No. 35087
Canadian National Railway Company and
Grand Trunk Corporation - Control - EJ & E West Company

Dear Ms. Quinlan:

I am a resident of the Village of Aurora, Illinois through which the EJ & E rail line extends. I wish to state my strong objection to the proposed purchase of the EJ & E West Company by the Canadian National Railway, and to the Drafted Environmental Impact Statement.

Impact on our village:

- 1. 555% Increase in Daily Number of Trains Traveling Through the Village**
- 2. 1,285% Increase in Daily Gross Tons of Freight Traveling Through the Village**
- 3. 1,258% Increase in Daily Carloads of Hazardous Materials Traveling Through the Village**
- 4. Severe Interference with the Emergency Vehicles and Traffic**
- 5. Increased Risk of Accidents**
- 6. Noise, Vibration and Air Quality affects our Environment and Property Values**

Concerned Aurora Resident,

Nancy Capezzuto
