Dear Mr. Navecky:

I would like to express my concerns over the proposed Great Lakes Basin Transportation, LLC rail line project. Docket # 35952. I oppose the project and ask the Surface Transportation Board to deny the proposal. My concerns are:

My family lives on part of the land that the Great
Lakes Basin Transportation are proposing to make into
a railway yard. We are greatly opposed to this whole project.
We believe this project would not benefit us, our
families, our neighbors or our community. This is
a small farm community and should remain so.
How many of them are left? To cover rich farmland
with concrete & metal for the prosperity of an unknown
business venture seems a travesty.
