

11-09-16

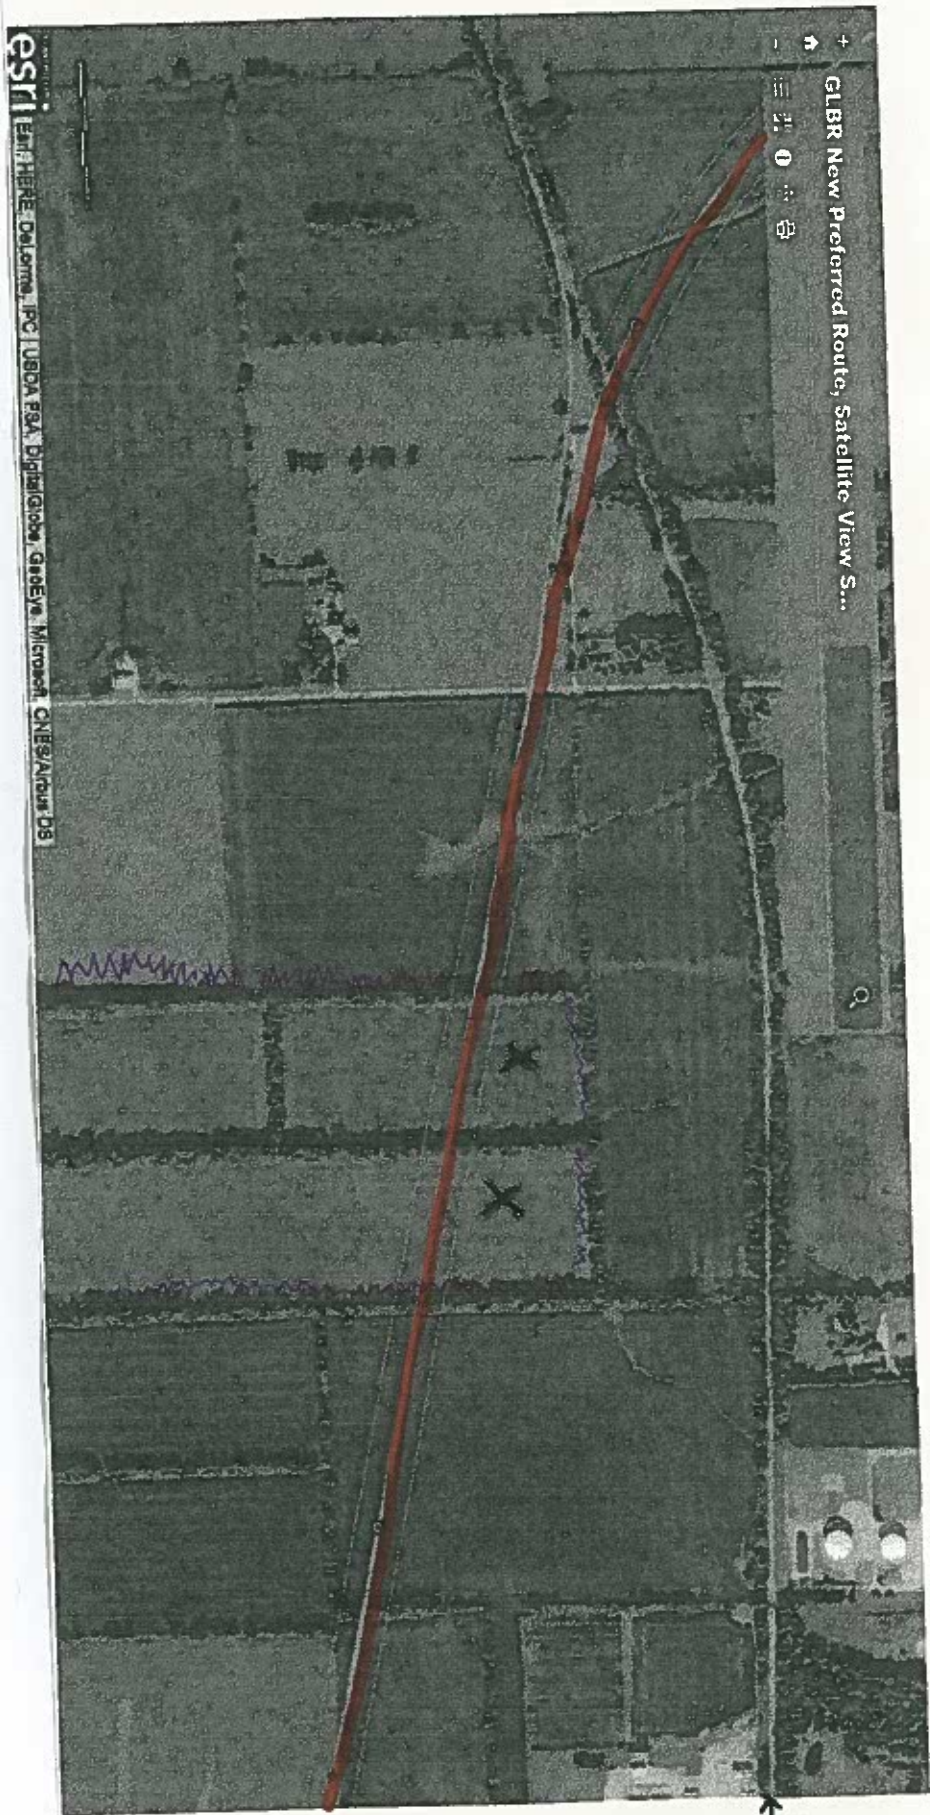

The enclosed photograph shows a photograph of my farm in Winnebago County, IL. The red line R2: Decret V# 35952, Great Basin Transportation, Inc. (GLBT). The proposed ^{path of the} train is in red. The two X's show my farm land. The land north of the GLBT is land locked. There is a drainage to the south which would be lost. The county road to the south of my farm is blocked by the railroad crossing Wallon Road. The (GLBT) means a loss of valuable farm land.

Truly yours,

Gunt Galbreath
