Title	Business			Dept	
Address	1344 Timberline Drive				
Address 2					
City	Joliet	State	IL	Zip	60431

Transcript:

I am calling to object because the traffic is going to tie up, mainly in the city of Joliet where I live. I work at Silvercross hospital on the east side, I commute from the west site. It will stop a lot of ambulances to get across that track and also just employees getting to the hospital. I hope the board decides not to let this happen. I am calling to let my views known.
