Hi Liz,

Rob Clayton is the representative from UDOT. Would you reach out to Rob or I will. Happy to have you join us as well.

Hi Liz,

Happy holidays! Sindy is out of the office today, so I'm forwarding this request from Alan Tabachnick from the Surface Transportation Board to you. UDOT was heavily involved with a previous iteration of the Uintah Basin Railway project. What say ye?

Cheers!

Kris

Hi. Would you be able to reach out to Utah DOT to see if they are interested in participating in the Section 106 process for this project? I know that FHWA has declined to participate but made suggestions to reach out to the state DOT. I want to make sure I am going through the correct lines of communication here, with PLPCO. Thanks very much and contact me with any questions.
