Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: August 27, 2008

Comments must be submitted by September 30, 2008.

The acquisition of The EJ&E Railway Company
by CN would devastate The Barrington
community. In this small town
already bisected by 1 rail, the impact of
adding 15+ trains of the freight variety
would further paralyze the traffic flow
through town, compromise safety, deter
big & small business from coming to
town, drive current business out, &
impact the entire economic
foundation of this small town.
Please consider the impact on real
Americans & vote against this
acquisition.
