

AB 167 (1189X) ; Two citizens't comments

NJIT architecture student Samar Marzouk envisions a lookout over an urban forest on the Harsimus Branch Embankment, 6th Street Jersey City

AB-167-1189X

the embankment is
a historical part of
Jersey City. To lose
this history would
be to lose the
very identity of
Downtown Jersey City.

IN DANIELS NJ 070

Hello, I live across the street from the embankment. It is a historical site as I've lived here my whole life, changing this will change downtown and cultural aspects as well.
