1. Which of the following applies to your situation?

- ☒ The proposed rail line is near my home.
- ☐ The proposed rail line is near my business.
- ☒ The proposed rail line crosses my property
- ☐ Other, please specify

2. What are your concerns regarding potential environmental impacts and do you have any mitigation suggestions?

I am concerned foremost for train blocking roads and ability to get my dad to doctors (frequent) and for the noise and dust. We recently moved to Quito to help with my dad and to get away from all the train noise in La Oroya. Am also concerned about flooding increase by blocking creeks and disturbing the natural beauty of the area. If you want it put it by your house and leave ours alone.

3. Please use this space for additional comments or suggestions.

Have ~~very~~ many allergies already don't need the added aggravation
