Re: Canadian National Railway Company and
Grand Trunk Corporation-Control-EJ&E
West Company
(STB Finance Docket No. 35087)

Dear Ms. Johnson-Bell:

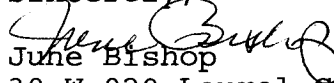

As a resident of Warrenville Illinois for nearly 10 years, I've been paying close attention to the proposed purchase of the EJ&E Railroad by Canadian National (CN). I know that the City of Warrenville has met with CN representatives three times and has conveyed resident concerns, particularly by those living so close to the tracks.

I am very concerned about the elementary school traffic and the park traffic that is in the area and for the safety of people driving back and forth from the school and the park.

I oppose this transaction. I hope that Surface Transportation Board considers the severe impacts on local residents when evaluating this transaction.

Feel free to contact me at 630-606-0520.

Sincerely,

June Bishop
