Dear Ms. Rief:

I received your letter dated August 31th 2017, concerning the proposed abandonment and discontinuance of Rockwell Industrial Lead in Cerro Gordo County, IA.

Rock Island District staff reviewed your proposal, and have provided the following comments:

- a. Your proposal does not involve District administered land; therefore, no further District real estate coordination is necessary.
- b. A Department of the Army Section 404 Permit will not be required prior to commencement of construction unless bridges over navigable waters are to be removed.

Thank you for the opportunity to comment on your proposal. If you need more information, please call Mr. Kjetil Henderson of our Environmental Planning Branch, telephone 309/794-5709.

You may find additional information about the Corps' Rock Island District on our web site at <http://www.mvr.usace.army.mil>. To find out about other Districts within the Corps, you may visit web site: <http://www.usace.army.mil/divdistmap.html>.
