How will CN's proposed acquisition of the EJ&E impact you?

The impact will be dramatic regarding traffic flow for all major intersections. Thus, negatively impacting all citizen quality of life. Formost safety and health concerns regarding access to our major med center Gose Sheppard H-sp. The standarc length of a freight train vece a commuter train is dramatic. During times of health emergencies each minute counts to save a life.

Our schools will be negatively impacted. Aggin creating a drag on our property values and quality of life.

Please ~~also~~ review these and my fellow 420033 complaints.
