Re: Canadian National Railway Company and
Grand Trunk Corporation-Control-EJ&E
West Company
(STB Finance Docket No. 35087)

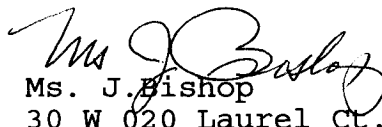

Dear Ms. Johnson-Ball:

As a resident of Warrenville Illinois for nearly 10 years, I've been paying close attention to the proposed purchase of the EJ&E Railroad by Canadian National(CN). I know that the City of Warrenville has met with CN representatives three times and has conveyed resident concerns, particularly by those living so close to the tracks.

I know there is a possibility of an accident involving hazardous materials which could impact the health of a large number of residents who live near the railroad tracks.

I oppose this transaction. I hope that Surface Transportation Board considers the severe impacts on local residents when evaluating this transaction.

Sincerely,

Ms. J. Bishop
