RESOLUTION

REGARDING THE GREAT LAKES BASIN RAILROAD PROJECT

Federal Docket No. FD 35952

WHEREAS, The Surface Transportation Board is considering a proposed railroad project submitted by Great Lakes Basin Railroad and,

WHEREAS, the proposed railroad project includes potential route corridors that would cut across the Clinton Community School District boundaries and,

WHEREAS, the proposed railroad project would require property easements that would not be taxable and would drastically cut property values and,

WHEREAS, the project poses significant financial hardship to the district with loss of tax revenue and,

WHEREAS, the potential proximity of the route in relation to the campus poses a significant safety concern with results of accidents involving the transportation of hazardous materials and,

WHEREAS, project will have a significant impact on the current roads situated within the district and,

WHEREAS, the proposed capacity of the high speed rail line is approximately 4 trains per hour

WHEREAS, the district relies heavily on bussing of students within the district and,

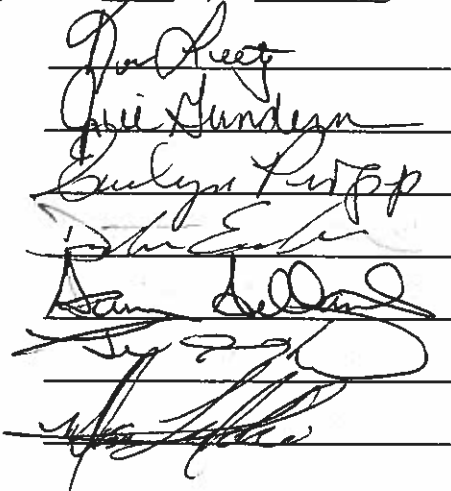

WHEREAS, the increase of railroad crossings will have a significant safety concerns for our students:

NOW, THEREFORE, BE IT RESOLVED, that

1. The Clinton Community School District Board of Education opposes the proposed Great Lakes Basin Railroad Project.
