MEMORANDUM FOR: Victoria Rutson
FROM: Joseph & Vicki Salomon
SUBJECT: Consulting Party Status

September 19, 2007

Hello and Good afternoon we would like to request that we be given consulting party status on the final programmatic agreement for the Finance Docket #34284. We are less than 4000 ft from the proposed quarry/railroad site and in the possible path of the eastern route if that is the one that is decided. We live on this property that has a home that was built in the 1940-1950 timeframe. We feel mat we will be greatly impacted by mis route and would like to take part in the final programmatic agreement. Thanks for your consideration and have a great day.
