

Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 9.23.08

Beyond the obvious problems of so many communities being effected by traffic noise pollution etc. it only makes sense to utilize the ~~fer~~ proposed rerouted tracks. It doesn't really make any sense not to. I realize that affluent communities like to keep everything nice & fluffy in their lives. But the trains benefit everyone ~~they should~~ at the Burden should ~~be~~ also be disbursed.
