US AIR MAIL 100

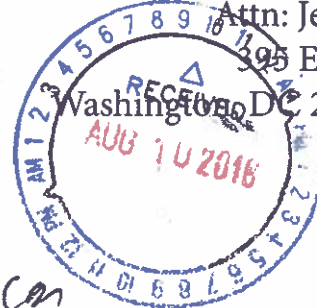

As a 25 year resident of Jersey City,
I believe description of Harsimus
Branch will detract from city's
rail heritage. We need to preserve
The City's remaining vestiges
of PRR history.
Jersey City has proposed ways
to preserve the Harsimus Branch.
Please assist in doing so.

The historic importance
of the Embankment in
Jersey City is imperative
to maintain open space
and green space and
allow for public pedestrian
and bike ways. Please do this!

The historic preservation movement
in Jersey City began in my neighborhood,
the City's first National Historic
District. Please preserve our City's
history by saving the Harsimus
Branch from demolition.
