AB 167 Sub-No. 1095X, Consolidated Rail Corporation —
Abandonment Exemption — Lancaster and Chester Counties, PA

The type of trail resulting from a Rails-to-Trails conversion provides a unique opportunity for healthful, outdoor recreation to the elderly, the physically impaired, families with young children, bikers, and many others who could not negotiate a less level and regular surfaced trail. Passing through the scenic areas which this trail includes provides obvious special esthetic value as well.

For the sake of Pennsylvania's future, this opportunity should not be lost. This corridor should be kept intact and development of a multiuse trail ~~development~~ should progress with haste.
