**Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company
STB Finance Docket No. 35087**

The Homeowner's Association of the Gateway community a subdivision at Steger Rd. & Rt. 45 in Frankfort Township just South of Frankfort support Mayor Jim Holland and the town of Frankfort in their concerns regarding the proposed Canadian National Railway in the Lincoln-Way area.

Gateway is a community of 450 homes for seniors 55 and older. Our concerns are:

#1 the ability of emergency equipment being able to transport us to hospitals in the area such as St. James in Olympia Fields or Silver Cross in Joliet.

#2 The increased possibility of train accidents and more hazardous materials transported through the area.

#3 The safety of the viaduct at Rt 45, north of Laraway Rd.

#4 Of the eight roads in our area going north from Steger Rd, only one road – Rt 45 has a viaduct; the other seven are grade level crossings.

#5 We are strongly opposed to our village, town, city or township having to raise tax dollars for repairs and improvements to benefit a very profitable foreign company the Canadian National Railway.

Please see list of signatures attached in opposition to the proposed Canadian National Railway Acquisition of the Elgin, Joliet and Eastern Railway Company.
