Message:

I strongly oppose the sale of the Elgin, Joliet and Eastern Railroad to Canadian National Railway. The train tracks run over 3 major streets in our area, effectively cutting us off from the western part of Aurora/Oswego. Trains currently delay traffic over 5-10 mins per train. To increase that to 2 trains per hour would cause major frustration, unsafe conditions from people speeding to get over a street before the train comes and then speeding after the train has gone past due to anger at the major delay. Odgen and Montgomery roads are major travel arteries for this area. Any increase in trains would greatly affect traffic for the worse.
