Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 8/27/68

Comments must be submitted by September 30, 2008.

Burrage is not the same town as others that CH plans to run their trains thru. You will be blocking all the main intersections every hour if you allow this to happen - 250 Buses a day ~~from~~ ~~the~~ cross the tracks 250 x 2 mile RT train every hour! Do the math statistically kids are going to die - Old people will die when EMT's can't get thru when they're having a heart attack. You cannot approve this deal w/out big mitigations to move the tracks out of our town - Trade, what corn fields are for is not it? The noise is very difficult already for those who live on the tracks. I live on the tracks -

Consider the traffic problem we already have. Ask IDOT - they want a highway split thru. - Consider what adding a train ~~45~~ 20-24 x a day is going to do.

This is criminal! 40 million ~~day~~ is \$

Please Don't allow this in our town

YOUR INPUT IS IMPORTANT!
