

080211 Rose

My name is Ida Rose. Home address is 22060 Camermill Drive, Frankfort IL 60423 and I honestly believe that 30 more trains a day will have a negative impact on our property values, on our travel and the safety of our children. We have two exits to our subdivision. One is a gated railroad crossing, the other is not and I definitely believe that this would be a negative again on our property values and most importantly the safety of children walking, cars passing through and I just do not believe that would be a great environment. The docket number is 35087 and please reconsider this action. Thank you.
