Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 9/23/08

Comments must be submitted by September 30, 2008.

It would be advantageous for the CN to Purchase and operate the EJ&E Ry. The "J" is on reduced carloadings since the steel mills have reduced output and the trackage is totally underutilized.

The Elmwood Park community is surrounded with both Canadian Pacific trains as well as Metra. A reduction in any CN traffic would be most appreciated by the residents of Elmwood Park and it surrounding communities.

YOUR INPUT IS IMPORTANT!
