Mr. Navecky,

I have lived at 11516 Cemetery Road for over 18 years. I purchased my home for the country living and farm community. I am an ironworker, at the end of each day, I look forward to the peace, calm and rural environment. I am very concerned about the noise, my well water to home and the accessibility of the first responders, and the rural road closings. I also have concerns for the wildlife as I am an avid outdoorsman and hunter. I have several hunting dogs. When I moved to Boone County 18 years ago I understood Boone County was an agricultural community, with great appreciate for the farm industry.

I respectfully submit this letter opposing this project.

Sincerely,
