ATTN: CN

Regarding Acquisition of EJ+E

We are against the EJ+E
Railway in New Lenox.
We have the Metra trains
running through our little
farm town & that's all we'll
tolerate. Our only hospital
is on Briggs in Joliet.
We need Gouger, Vine,
& Cedar for ambulances &
EMT's to get the sick
to Silver Cross Hospital.
Stay where you are.
We don't want you here
