ATTN: Docket # FD-35952

Date 4/29/17

Ken Blodgett
Surface Transportation Board
Docket # FD-35952
395 E Street SW
Washington, D.C. 20423-0001
Mr. Blodgett,

After reviewing the available information about the proposed Great Lakes Basin (GLB) rail project, it is my opinion that the proposed GLB project has failed to sufficiently provide documentation that supports public convenience and necessity. For the following reasons I respectfully request that the STB cease any further action on this project.

I OWN 2 ACRES IN SW ROCKFORD FOR
RESIDENCE + VEGETABLE GARDENING PLUS GIRLFRIEND
AND I HAVE 25 ACRES WEST OF BELOIT WI.
BOTH PLACES AFFECTED DIRECTLY. BELOIT FARM NEXT
TO PROPOSED SITE. CPR, PRAIRIE FIELD, WILDLIFE
DEAD END. IN TWO STATES I'M AGAINST
GLB. MY LIFESTYLES WRECKED. BELOIT ADDRESS
5801 W. ST LAWRENCE 53111 TO BE DEAD END STREET.

The above provided information is what led me to the conclusion that the proposed GLB project is inconsistent with the public convenience and necessity. It was insufficiently vetted before starting the approval process. I respectfully request that the STB takes "no action" on this project.
