Dear Board, ~~July 11th~~ ~~JUNE 15~~ July 15th

This is my last correspondence to appeal for the denial of the railroad. I have presented my concerns by written letters, a poem, and a presentation in Valparaiso. All attempts addressed the fifteen issues of the board and all of them would be negatively a detriment to our way of life, our health, our safety, our beauty and our economy.

The only one who wants the railroad is the owner Mr. Patton for his own greed and service.

I shall be praying that God will guide your decision and hopefully, you will deny the petition!

NOTE: When an individual chooses to submit an Environmental Comment or some Other Submission, his or her personal contact information is considered public information and is shared within and outside of STB without additional authorization.
